## Student Health Insurance Plan: University of Mississippi

### Who can enroll?

All domestic Graduate Assistants are required to have health insurance coverage and are automatically enrolled in this Insurance Plan unless proof of comparable coverage is provided. All domestic undergraduate and graduate students taking at least six credit hours are eligible to enroll in this Insurance Plan on a voluntary basis.

Eligible students who do enroll may also insure their Dependents. Eligible Dependents are the student’s legal spouse and dependent children under 26 years of age.

The student (Named Insured, as defined in the Certificate) must actively attend classes for at least the first 31 days after the date for which coverage is purchased. Home study, correspondence, and online courses do not fulfill the eligibility requirements that the student actively attend classes. The Company maintains its right to investigate eligibility or student status and attendance records to verify that the Policy eligibility requirements have been met. If and whenever the Company discovers that the Policy eligibility requirements have not been met, its only obligation is refund of premium.
