

Education Specialist Degree (Ed.S.) in Counselor Education: Play Therapy

Overview

The University of Mississippi is pleased to offer a post-master's specialist degree in education for those interested in play therapy and becoming a Registered Play Therapist (RPT) or School Based (SB-RPT). Our program is provided online for national students.

Curriculum

Students will complete **25 credit hours**, record at least **350 hours** of play therapy sessions, and receive **35 hours** of supervision by the course instructor who will be a Registered Play Therapist-Supervisor. An on-site residency is required for three days in the summer semester. The residency is held at The University of Mississippi at the COPE Clinic.

Admission

You must apply online with the Graduate School in the Educational Specialist's Degree in Counselor Education with an emphasis in play therapy. **Please submit your application and transcripts by April 1** to begin coursework in the fall semester. You are encouraged to apply and complete your application process as soon as possible for a prompt review and admission decision. Please see admission requirements.
