

Submitting the Applied Behavior Analysis FE Log

All candidates enrolled in the ABA graduate program must submit their ABA Field Experience Log Sheet in the School of Education's Assessment System.

Follow the steps below to submit the ABA Field Experience Log Sheet in the Assessment System:

Access the SOE Assessment System.

<https://education.olemiss.edu/resources-support/assessment-system/>

You can also access the Assessment System from the "Resources and Support" tab on the School of Education home page.

First time users will need to register in the system. Click, "Register Here" on the homepage to register in the system.

Candidates that were previously enrolled in an undergraduate Teacher Education program will be able to access the system using their account used during an undergraduate program. These candidates will click, "Sign In" and log in with their credentials.

Welcome to the SOE Assessment System

This system is implemented at three levels:

1. Individual candidate level to ensure that our candidates exit our programs with the appropriate skills, knowledge, and dispositions to be effective professionals.
2. Program level to determine the effectiveness and cohesiveness of candidates' courses of study.
3. Unit level to monitor the connectivity of programs and their alignments with professional standards, unit's mission, vision, and goals; the conceptual framework and articulated needs from the field, and dispositions to be effective professionals.

Assessment data is collected from multiple sources including candidates, recent graduates, faculty, clinical instructors, principals, and external reviewers. These data are systematically compiled, summarized, and analyzed annually to assist in making improvements that have a positive impact on candidate performance, program quality, and unit operations. The process provides an empirical basis for informing, evaluating, and continuously improving the unit and its educator preparation programs.
