

Clinical Instructor Overview Page Quick Guide

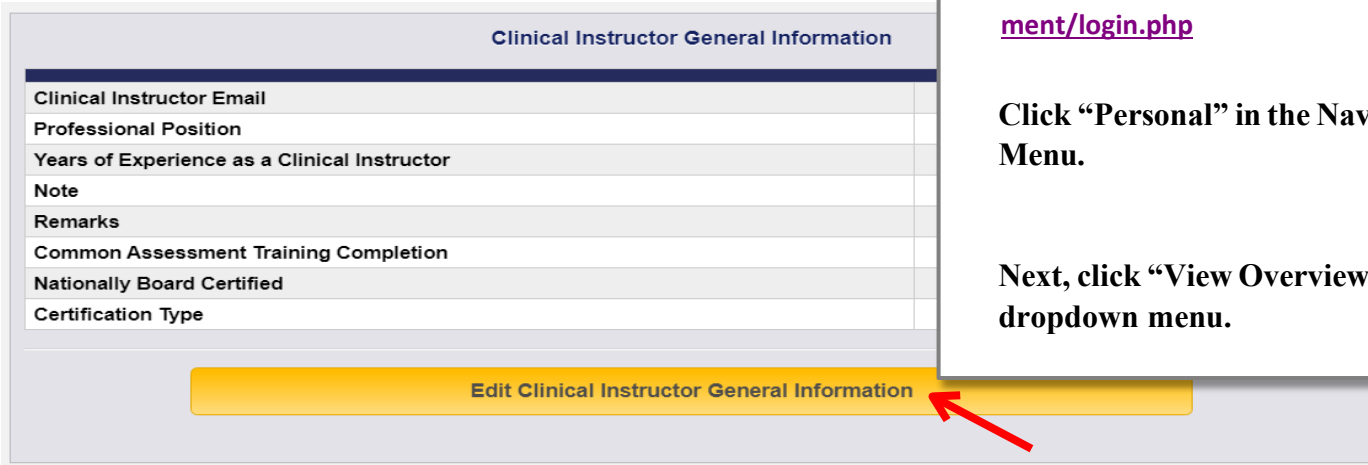

Clinical Instructors needing to update their *Overview* page information in the School of Education Assessment System can do so by following the steps below:

Log into the SOE Assessment System.

<https://olemiss.edu/depts/education/assessment/login.php>

Click “Personal” in the Navigation Menu.

Next, click “View Overview” from the dropdown menu.

The first section of the *Overview* page to update is Clinical Instructor General Information. Click the “Edit Clinical Instructor General Information” button to update any information in the section.
