Meeting Notes from 03/10/10, 3:21 pm, Meeting via e-mail

Members Present: Buffy Choinski, Joseph Gladden, Maurice Eftink, Penny Rice, Debra Riley-Huff, Robert Doerksen, Rachel Willis, Debra Scardino, Wayne Shaw, Gail Herrera, Ruth Mirtz, Patricia Oswalt, Kelly Wilson

Mobility Solutions:

Rice reported to the committee that the Office of Information Technology is having some discussions with SAP on their mobility solution. We would like to develop a mobile solution that best meets the needs of our campus.

Rice asked the committee to recommend their top 5 or top 10 ideas for myOleMiss applications to make mobile.

The recommendations from this committee were as follows:

- Allow instructors to send text messages to students in a class
- Search for a location on a campus map
- Search the campus directory
- View course schedules (for students)
- Access the University calendar
- Look up class rolls with an option to view class photos
- View grades (for students)
- View pay stubs
- Send e-mail to groups
- View academic programs and course catalog
