

JAMES O. EASTLAND COLLECTION
FILE SERIES 1: PERSONAL/POLITICAL
SUBSERIES 1: BIOGRAPHY

Arranged sequentially, the folders in this one-box subseries contain biographical outlines of Eastland's life. The senator or his staff composed some of these documents, while others are the work of outside sources like the annual reference work *Who's Who*. In addition, the files contain correspondence relating to oral histories by Eastland, and in one case, the transcript of an interview conducted in 1971 that focuses primarily on the senator's relationship with President Lyndon B. Johnson.
