

**JAMES O. EASTLAND COLLECTION
FILE SERIES 1: PERSONAL/POLITICAL
SUBSERIES 17: FEDERAL CORRESPONDENCE**

The ten boxes in this subseries contain correspondence between Senator Eastland and various federal government departments, commissions, and agencies. The files are arranged alphabetically by the name of the department, commission, or agency. Reorganization of the government occurred several times in the course of Eastland's career, so specific functional units might appear in various locations on the list and may have changed names.

A few large items are stored separately in Eastland Oversized Box 1, Folder 3. A removal sheet included among the regular sized files will provide cross-referencing information for separated material.
