

JAMES O. EASTLAND COLLECTION
FILE SERIES 1: POLITICAL/PERSONAL
SUBSERIES 21: MISSISSIPPI OFFICE/C.B. CURLEE & WILBURN BUCKLEY

Senator Eastland employed C.B. Curlee and Wilburn Buckley as his representatives within the state of Mississippi. As such, both men had occasion to relay political information and opinions in their correspondence to the senator. Curlee's letters, in particular, contain lengthy and detailed observations on Mississippi campaigns and political maneuverings. Further Curlee correspondence is in the Campaign Files subseries. Both Curlee and Buckley also operated as case workers intermediating between individuals (or locales) and the federal government. Files in this one-box subseries are arranged chronologically.
