

JAMES O. EASTLAND COLLECTION
FILE SERIES 1: PERSONAL/POLITICAL
SUBSERIES 6: DONATIONS

The files in the two boxes of the Donation subseries are arranged chronologically and contain letters and information related to Eastland's charitable works. The bulk of the subseries concerns Eastland's involvement in the CARE program that provided aid to Europe following World War II. Although the CARE program operated in several countries, the families that received Eastland's packages all lived in Germany. Most of the documents from this period are letters from those families. Eastland also received Christmas and Easter cards from the families, which are located in the Holiday Cards subseries. Besides the CARE letters, this subseries includes appeals to Eastland from numerous charitable organizations, churches, and individuals for donations.
