

**JAMES O. EASTLAND COLLECTION
FILE SERIES 2: PUBLIC RELATIONS
SUBSERIES 6: SPEECHES**

The nine boxes in this series contain copies of speeches given by James O. Eastland off the Senate floor. The senator delivered many of the speeches before various Farm Bureau and other agriculture-related groups, mostly in the state of Mississippi. Other common events at which Eastland spoke include Citizen Council meetings, Chamber of Commerce meetings, graduation and commencement ceremonies at high schools and colleges, building and monument dedications, and various festivals, mostly in Mississippi. Also included are transcripts of Eastland's tributes to other political figures. Occasionally, a member of Eastland's staff would deliver a speech when the senator could not fulfill his speaking obligations. Speech topics often included agriculture, race relations, and communism.

Files are arranged chronologically when the date of the speech is identifiable. The undated files are at the end of the series. The last folder contains a list of speeches delivered between 1969 and Eastland's retirement in 1978. The number of speeches grew in the 1970s, especially during election years. Researchers interested in campaign speeches should also see the Campaign Records subseries. Newspaper accounts of Eastland's speeches are found in the Clippings and Scrapbook subseries. Constituent reactions to some speeches are located in the Issue Correspondence subseries and requests for printed speeches in the Routine Requests subseries.

BOX 1: 1942-1956

Folder 1-1: 1942 – Physical Fitness – Congressional Expenditures
