

**JAMES O. EASTLAND COLLECTION  
FILE SERIES 3: CONSTITUENT FILES  
SUBSERIES 6: IMMIGRATION CASE FILES**

The ten boxes in this subseries contain immigration case files maintained by Senator James O. Eastland's staff. Files are arranged alphabetically by the name of the immigration sponsor and the folder description includes the date of the content followed by the name of the potential immigrants (if discernible). Since Eastland chaired the Judiciary Committee's Immigration and Naturalization Subcommittee, many of the case files document investigations or legislation required to grant visas or citizenship.

**Access Restrictions:** Due to the presence of investigative content derived from the subcommittee in many of the files, access will follow congressional guidelines. By Senate rules, committee records are closed for twenty years and investigative records for fifty years. To abide by this rule, the Modern Political Archives will permit researcher access to all files whose last dated material is older than fifty years. As a consequence of these restrictions, researchers will not have access to the boxes in this subseries – only those folders where fifty years has lapsed.
