

**James O. Eastland Collection**  
**File Series 4: Legislative Files**  
**Subseries 7: Education and Labor Committee**

In 1944, Eastland received an appointment to Education & Labor. The following year he dropped his membership in that committee and added Judiciary, Naval Affairs, and Territories & Insular Affairs. This subseries on the Education and Labor Committee consists of one box. Few, if any, of the documents are from Eastland's tenure on the committee. Most of the material dates from 1942.
