

JAMES O. EASTLAND COLLECTION FILE SERIES 6: MEMORABILIA

This subseries consists of memorabilia in an array of formats. Artifacts include pins; badges; rubber stamps from the senator's congressional office; pencils; presidential pens used in the signing of legislation; paperweights and desk flags; coin tokens; gavels; boxes; license plates; ashtrays and other items associated with Eastland's cigar smoking; and mugs as well as awards, plaques, and certificates from various organizations. The subseries also contains items such as photographs and portraits retained within their original frames (for preservation or exhibit purposes).

Arranged by format, artifacts are in Boxes 1 through 15. Box 16 primarily holds paper certificates; philatelic collectables like cachet envelopes and first day covers; and commemorative coins and currency coins. Box 17 contains oversized certificates and resolutions of commendation. The contents of Box 18 are miscellaneous oversized posters, art, and maps.

Framed items reside separately in Modern Political Archives Framed Storage. Also, several reproduction portrait images that used to hang in Eastland's congressional office are located in Modern Political Archives Map Case Drawer 2. Descriptions of all these items appear at the end of the container list.

Besides its value for useful products, poplar provides watershed protection, wildlife habitat, and beauty for recreation. Each tree supplies the annual oxygen needs for 18 people. Each acre of cottonwood can produce 10 tons of wood per year for lumber, hardboard, veneer, or paper. Increased research can help to insure even higher production. The Poplar Council. P.O. Box 227, Stoneville, Miss. 38766."

Oosik. Baculum of walrus capped on both ends with bone or ivory.
