**Series 1: *Congressional Record***

This series of seven boxes contains excerpts from and indexes of the *Congressional Record*, the official record of the proceedings and debates of the U.S. Congress.

The first subseries is comprised of excerpts that primarily relate to Representative Jamie Whitten's floor speeches or other legislative action. Folders are arranged chronologically and preserve the original subject label assigned by the office. Excerpts from the 1940s and early 1950s are sparse as are those after 1991. Indexes for Whitten's appearance in the *Congressional Record* are filed in Subseries 2.
