

Jamie L. Whitten Series 22: Speeches

This series contains the speeches Jamie Whitten made on the floor of the U.S. House of Representatives as well as addresses within his district and elsewhere. The three subseries preserve the original office filing system. The first, Speech Material, contains general research and speech material organized both chronologically and by subject.

The second subseries consist of folders related to specific speeches arranged sequentially. The files may contain speech drafts, research material, press releases, and *Congressional Record* excerpts as well as promotional literature and itineraries for specific events. Some files will include copies of earlier addresses on similar topics from which Whitten references statistics or quotes. This subseries also includes introductions of Whitten by other individuals.

Subseries 3 consists of compilations “Contents of Alphabetical Speeches Files” (circa 1950s and 1960s) and “Floor Speeches by Year 1955-1968.”
