

**Jamie L. Whitten Collection**  
**Series 25: University of Mississippi**

The contents of this series feature material related to the inception, planning, fundraising, and implementation of two efforts to honor Jamie Whitten at the University of Mississippi: the Law School's Jamie Lloyd Whitten Chair of Law and Government and the Jamie L. Whitten National Center for Physical Acoustics. Images for related occasions are available in the Photographs and Recordings series.

Researchers should note that all other documents related to the University of Mississippi are held elsewhere in the collection, such as the Grants and Federal Assistance series.
