

Jamie L. Whitten Collection

Series 8: Invitations

The Invitations Series contains twenty-four boxes of invitations Representative Jamie Whitten received to events and functions between 1959 and 1994, as well as correspondence and other material related to the invitation.

Subseries 1 holds all invitations accepted by Whitten, arranged chronologically by year. Subseries 2 consists of a selection of rejected invitations issued by celebrities, Citizens Councils, members of Congress, Mississippi governors, and the White House (both presidents and vice presidents). The archives removed from the collection all other rejected invitations.
