

TACIT 2016

**CYCLICAL UPDATES TO
FACULTY TECHNOLOGY**

TACIT 2016 Numbers

2

- 17th Year for TACIT
 - Total approved requests: 83
 - 49.4% Mac; 48.2% PC, 2.4% Other
- iPad added as an option for desktops
 - Began in 2011
 - Comparable costs for desktop w/ iPad vs. laptop
 - 34 iPads included in 2016 set

2016 TACIT Numbers ~ Details

3

PC

- Desktops – 26
- Laptops – 14
- Docking Stations – 10

Apple

- Desktops – 21
- Laptops – 20
- Docking Accessories – 17

SAP Grants Management

4

- Launched on July 1, 2014
- Goals:
 - Ensure external funding is managed in accordance with the sponsor's administrative guidelines
 - Provide accurate and timely reporting to sponsors, researchers / principal investigators, and UM administrators
 - Reduce operational / administrative costs by eliminating manual processes for planning, managing and reporting grant activities

Effort Reporting

5

- Part of the SAP Grants Management project
- Launched in January 2015
- Researcher tools found in myOleMiss
- Certify 3x per year for all salaried employees working on federal or state funded sponsored programs
- Certification Periods:
 - Fall: August 9 – December 24
 - Spring: December 25 – May 8
 - Summer: May 9 – August 8

GM/Effort Reporting By the Numbers

6

- Since the GM go-live in July, 2014, UM has received \$319 million in externally sponsored funding (including financial aid)
- UM currently has \$389 million in externally sponsored funding (including financial aid) managed within SAP Grants Management
- For the four effort certification cycles since go-live, the completion rates have exceeded 90% by week six of each cycle.

Attendance Verification

8

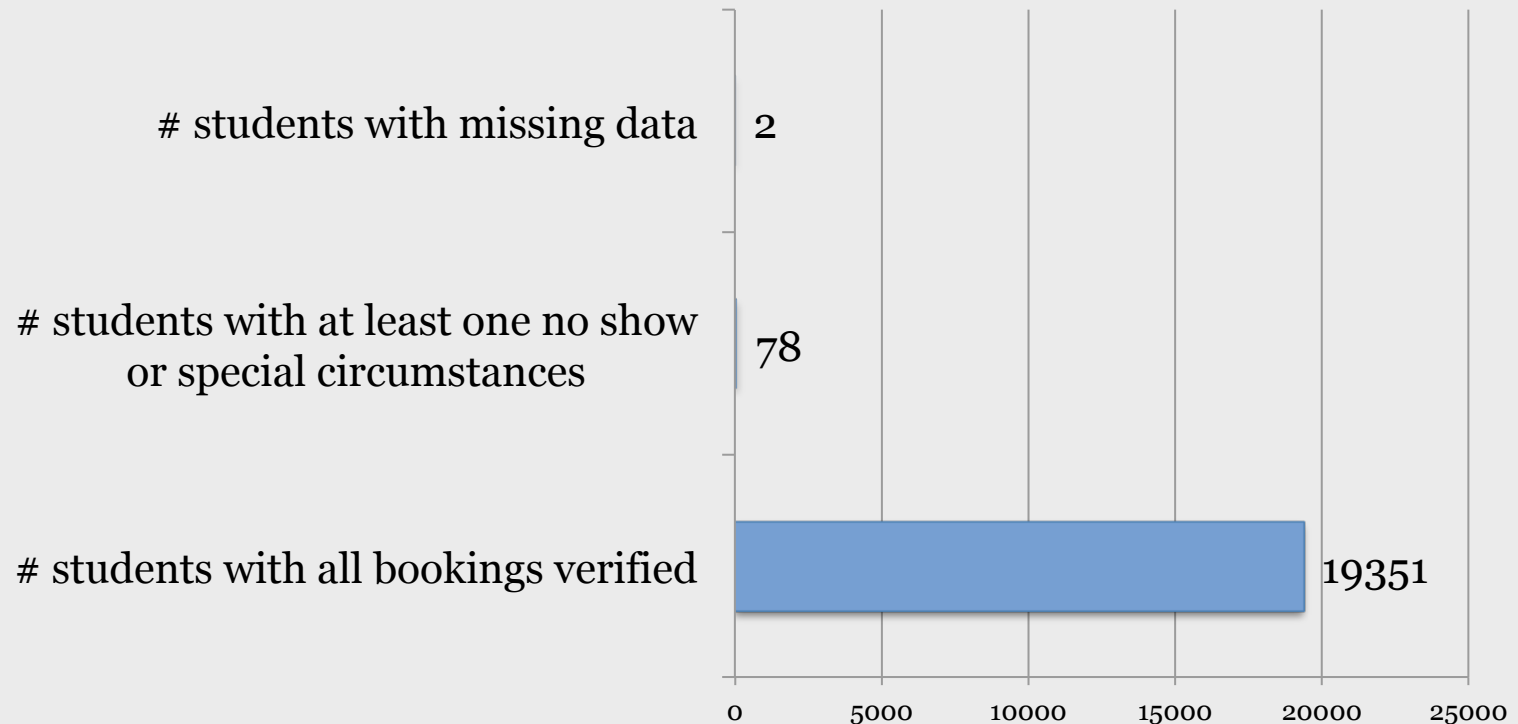

- Launched in Fall 2015 in response to FA audit finding.
- Screen redesigned for better clarity.

The screenshot displays a web interface for attendance verification. The top section, titled "UNRECORDED: ACTION NEEDED" in blue text, features a red header bar. Below this, there is a dark blue box labeled "'F' DETAIL". To the left of this box, the text "Atter" and "[Mar" are visible. To the right, the text "has not b" is partially visible. Below the "'F' DETAIL" box, there are three buttons labeled "D", "F", and "I". The "F" button is highlighted in blue. To the right of these buttons is a dropdown menu with the text "Earned" and a blue arrow icon. The dropdown menu is open, showing four options: "Abandonment", "Earned" (highlighted in blue), and "No Show". Below this section, there is a green header bar. The bottom section, titled "VERIFIED PRESENT: NO FURTHER ACTION NEEDED" in blue text, features a green header bar. Below this, there are three buttons labeled "D", "F", and "I". The "F" button is highlighted in blue. Below these buttons, the text "These students have already been marked as having attended at least one cl" is visible.

Attendance Verification

9

Results for Spring 2016

Number of “no show” drops: 214

New Features for Faculty Activity Reports

10

- Three new activity types
 - External Recognition
 - Professional Reviewing
 - Professional Organization Leadership Role
- Ability to assign activities to report area
- “Display publicly” flag
- UM awards are now included in the report
- Primary goal is to improve data quality for reporting

Electronic Timesheets

13

- From myOleMiss, go to Employee -> My HR Tools -> Timesheet
- Faculty report medical leave, whereas staff report personal and medical leave
- UM is moving away from paper timesheets for “eligible” employees
- Fast & easy
- Much better wrt/ institutional risk management

Employee Email

17

- Planning is underway now for next big employee email upgrade
- Moved students to Google email in 2012
- Considering on-premises vs. cloud (Microsoft 365) for employees
- Issues to consider
 - Features
 - Disk space
 - E-discovery
 - Privacy
 - And more ...

Research Computing at UM

18

- Free HPC accounts
- Scientific software
- Data storage
- Specialized training
- Expert support
