

February 8, 2008 - Welcome!

- Monthly Webmaster Meetings are held in Weir 107.
- <http://podcast.olemiss.edu/>
- <http://www.olemiss.edu/depts/it/webmaster/meetings.html>

myOleMiss

The screenshot shows a web browser window titled "SAP NetWeaver Portal - Windows Internet Explorer". The address bar displays the URL "https://umapp2.olemiss.edu:8443/iniportal". The browser's menu bar includes "File", "Edit", "View", "Favorites", "Tools", and "Help". The toolbar contains various icons for navigation and search. The main content area features a red header with "THE UNIVERSITY OF MISSISSIPPI" and a large "myOleMiss" logo. Below the logo, there is a login section with fields for "WebID" and "Password", a "Sign In" button, and links for "Guest Access", "Password Help", and "Quick Links". To the right of the login section, an "Important Dates" box lists key dates and events for 2008, including payroll periods, application submission deadlines, and mid-term grades submission and viewing dates. The background of the portal is a large image of a theater interior with red seats. At the bottom of the page, a disclaimer states: "Use of this system is governed by the University of Mississippi's [Appropriate Use Policy](#). If you are authorized to access university systems, you must do so using your assigned account. Failure to do so is a violation of policy that may result in the loss of privileges and other disciplinary action." The browser's status bar at the bottom shows "Done", "Trusted sites", and a zoom level of "100%".

myOleMiss

myOleMiss replaced *most of* Online Services
February 1.

- Two portal servers originally used with a third added yesterday.
- Four secure servers working behind them.
- Public access restored within 3 hours.

myOleMiss

Difficulties included:

- Class schedules showed incorrect information.
- Payroll slip didn't show accrued leave hours.
- Not enough permissions given to some users.
- A few planned migrations didn't happen on time.
- Firefox 2-column layout difficulties.
- Printing

Linking into myOleMiss

...not as easy as you might hope.

- Direct links:
 - Good in that they require limited wording.
 - Bad in that the user might not have the role the link is directing them to.

Linking into myOleMiss

...not as easy as you might hope.

- Wordy links:
 - Bad because they are wordy.
 - Necessary.

Linking into myOleMiss

- Make use of the Index dropdown menu!

The screenshot displays the myOleMiss website. At the top, the logo "myOleMiss" is on the left, and the text "Welcome ROBERT SEITZ — Friday, February 8, 2008" is in the center. To the right are links for "Help", "Webmail", "Blackboard", and "Log Off". Below this is a navigation bar with tabs for "Student", "Employee", "Administrator", and "IT". Under the "Student" tab, there are links for "Main", "Academics", "Financial Aid", "Housing", "Tools & Resources", and "Directories".

On the left side, there is a "Student > Main > Welcome" breadcrumb trail and a list of links including "Welcome", "Advising", "Check Holds", "Contact Information", "Educational Record Release (FERPA)", "Firearms", "Grades", "My Schedule", "Registration", "Student Conduct Process", "Student Number", "Teacher Evaluation Results", and "User Feedback on myOleMiss".

The main content area features an "IT Alert" section with a "Welcome to myOleMiss" message and a link to the "Helpdesk". Below this is an "Announcements" section titled "2008 Elsie M. Hood Award" with a link for "More information".

On the right side, there is a vertical "Index" dropdown menu. The menu is currently open, showing a list of links including "Index", "Index", "1008T", "About SAP to Excel (STEP)", "About this Application", "Academic Council Workflow", "Academic Programs and Catalog", "Academic Support Center", "Account Statement", "Admission Application Status", "Admission Applications", "Advising", "Advising Coordinators", "Anticipated Graduation Date", "Application Status (Graduate)", "Apply For Housing", "Authorization Request (PDF)", "Award Letter", "Browse Admissions by Campus", "Browse Admissions by UG Program", "Browse Students by Campus", "Browse Students by UG Program", "Bulletin Board", "Campus Directory", "Campus Map", "Campus Server Registration", "Check Holds", "Check Registration Window", "College Source", "Computer Purchase Advice", and "Contact Information".
