    - None
    - Vote: All in favor
- **Dr. Noel Wilkin (Provost & Executive Vice Chancellor):** Dr. Wilkin will address the Senate's resolution of December 2018 regarding Academic Freedom and provide other updates.
  - Brice note: Dr. Sparks to come to Feb meeting
  - Re December Faculty Senate Resolution:
    - As an individual and a member of this community of scholars, thank you for your affirmation of these principles and we in administration stand with you in this affirmation. These principles are essential if we are to develop knowledge.

- Many of our policies within the institution are based upon these very principles which you call out in the resolution.
  - Updates: Flagship constellations and M-Partner
    - There is an interest in continuing these endeavors
    - The Interim Chancellor has asked the Provost to work with Josh Gladden and Katrina Caldwell and their constituents to determine how to best move forward so that the maximal benefit can be achieved.
  - Questions:
    - Q: What if anything is known about process or timeframe for finding a new Chancellor?
      - A: My impression is that the IHL is not in a hurry to start that process. They want to get it right. I am also certain that they will be seeking feedback. And we will be working with the Senate Chair to relay that feedback. Once we get some additional news on the process we will let you know.
- **Dr. Bob Baker (Senior Associate Athletic Director, Student-Athlete Development):** Dr. Baker will update the Senate on his work to ensure the academic success of student-athletes at UM.
  - Has been on campus for about 7 weeks
  - Student athlete updates:
    - 2<sup>nd</sup> highest GPA in recorded history
    - Highest cumulative department GPA to date
    - Working with staff on structure and communication to help students to be continually successful
    - 21 December graduates
    - 13 Rebel Reconnect graduates – students who left to play pro, but have since come back
    - Question:
      - Q: Why does the NCAA make student transfers so complicated, when they claim they want to treat all students equal?
        - A: That is a good observation, and they do make it more difficult. However, we do have the option of writing waivers as needed.
  - Majors:

- Most are general studies, freshmen studies, general business, exercise science, sports and recreation administration
        - Very diverse group of students – something to be proud of
    - Attendance policy:
      - Every school has to have a comprehensive policy to address student athlete absences
      - We have just revised our attendance policy to provide a clear outline of consequences for too many absences.
      - Currently employ class checkers (student workers)
      - We also rely on mid-term and final faculty reports
        - Please complete the “Grades First” progress reports if you receive them because they are very helpful to our ability to assist students in need.
    - Questions:
      - Q: I use the scanners to do my attendance and there are many student athletes without IDs, can you fix that?
        - A: We can do something about that. What is the process for getting a new ID?
          - F/U: It costs \$30.
