**Most Common Rules and Regulations**

The University of Mississippi Parking and Traffic Rules and Regulations are the effective policy governing the operation and parking of vehicles (cars, motorcycles, mopeds, and bicycles) on the campus and streets of The University of Mississippi. The full list of rules and regulations may be found on the main Dept. of Parking and Transportation website. It is the responsibility of a vehicle’s operator to familiarize themselves with the rules and regulations and obtain permission and submit compliance when using the University campus. Failure to do so may result in a citation and/or impoundment of vehicles in violation.

- All vehicles (permanent or temporary) brought onto campus must have a permanent or temporary parking permit authorized by DPT unless parking is metered parking. Student parking permit classification is determined by residence and parking space. A vehicle is required to comply with the fee schedule associated with the space regardless of permit visibility or type.
- Permits are required to be displayed on a vehicle according to directions on the back of the permit. Full details are included in DPT’s website under “Rules & Regulations”. Failure to display a permit properly may result in a citation.
- From 7:30AM-5:00PM weekdays, permit holders are restricted to parking only in the parking areas designated for your parking permit type unless parked in metered parking. After 2:00 p.m. weekdays you may park in any valid space on campus except those parking spaces reserved by special posted signage.
- Please review this color-coded parking guide map and any updates available on DPT’s website - www.olemiss.edu/parking - to discern the parking permit designated area.
- South Oxford Center (SOC) Permits are not permitted to park on the main campus in any zone. A free connector shuttle will provide transportation between the SOC and Kenyon Observatory Transportation Hub.
- If a commuter or faculty and staff member is unable to locate a legal parking place in their designated zone, they may park in one of the three Park-N-Ride parking lots and utilize the express shuttle bus routes that serve these areas. All permits except Park-N-Ride and SOC may also park in an “open” designated parking area (check this color-coded parking guide map).
- Reserved faculty and staff parking spaces which are identified by special signage and the Pavilion Garage are off-limits to all other motorists between 7:00AM-5:00PM Monday-Friday. Violators will be fined $500 and towed.
- Residential permits - East, Central, West, and South zones, The Residential Garage and Campus Walk - are restricted to their area 7:30AM-5:00PM weekdays but may also park in any of the three Park-N-Ride parking lots (JAC, South Lot, and SCRC).
