CITATIONS AND APPEALS
The University of Mississippi may issue citations for violations of enacted policy for operation and parking of a vehicle on the University campus.

- Upon receiving three (3) unpaid citations, your vehicle may be immobilized with a wheel lock.
- Any faculty, staff, or student can appeal a citation within 7 business days of the citation being issued (includes date the citation was issued). Appeals must be initiated through the on-line portal on the DPT website.
- Student, faculty, and staff appeals will be handled by their respective appeal boards. The appeal boards function independently from the Department of Parking and Transportation, and all rulings are final. Visitors and external employees who wish to appeal a citation should contact the Department of Parking and Transportation.
- An administrative charge of $5 will be added to each appeal if the appeal is denied by the appeal board.
- Student parking fees and fines are billed to their bursar account; faculty and staff are payroll deducted. All other motorists are to pay fees and fines at the DPT office.
